Frontend Web Developer

Self-driven and detail-oriented Frontend Developer with hands-on experience building responsive, dynamic web applications using HTML, CSS, JavaScript, React.js, Tailwind, Sass and Vue.js. Adept at turning design mockups into pixel-perfect UIs and delivering high-performance, accessible web solutions. Strong communication and teamwork skills from a background in engineering project leadership and technical support. Engaged in practical frontend internships, enhancing skills in responsive UI development, API integration, and team-based project delivery.

Technical Skills

Languages & Frameworks:
HTML5, CSS, Sass, JavaScript (ES6+), React.js, Typescript, Vue.js, Tailwind CSS

Tools & Platforms:
Git & GitHub, VS Code, Netlify, Vercel, Vite, Figma, Chrome DevTools, REST APIs, NPM

Soft Skills:
Problem Solving, Team Collaboration, Time Management, Communication Skill, Project Coordination

Education

AltSchool Africa — Frontend Engineering
May 2023 – Nov 2024
- Built and deployed several responsive SPAs using React and Vue.
- Practiced clean code, version control, and modular design.
- Integrated public APIs and handled asynchronous JavaScript.

Akdeniz Karpas Mediterranean University — B.Sc. Civil Aviation Management (Final Year)
Sep 2022 – Present

Selected Projects

1. Quizzy App

React | JavaScript | Vercel | Custom Css
- Developed a quiz application featuring a countdown timer and dynamic question logic.
- Integrated scoring and result feedback with smooth state transitions.
- Live: [https://terra-quiz-app.vercel.app/] | GitHub: [https://github.com/Vicky041/Terra-quiz-app]

2. Stock Dashboard
React | Recharts | REST APIs | Tailwind | Vercel
- Built a stock analytics dashboard to visualize live stock prices, currency, and symbols.
- Fetched real-time financial data via API and displayed using interactive charts (Recharts).
- Live: [Your Live Link Here] | GitHub: [https://github.com/Vicky041/stock-dashboard]

3. Crypto Dashboard
React | Recharts | API Integration | Sass | Vercel
- Created a cryptocurrency charting app that displays price history and market data.
- Users can input crypto symbols and view historical performance with responsive visuals.
- Live: [https://crypto-stock-tracker-dashboard-theta.vercel.app/] | GitHub:
[https://github.com/Vicky041/Crypto-Stock-Tracker_Dashboard]

Professional Experience

Frontend Intern – Internpulse
Remote | May 2025 – Jul 2025
- Participated in a cross-functional product team to design and implement frontend features.
- Built UIs from Figma designs and improved component reusability.
- Practiced Agile methodologies and met tight weekly sprint goals.

Frontend Developer Intern – Terra.hq (SideHustle Internship)
Remote | Jun 2025 – Jul 2025

- Completed a multi-phase, project-based internship with real-world use cases.
- Collaborated with designers and developers to deliver a working MVP.
- Gained experience in time management, team collaboration, and frontend best practices.

Senior Admin – Electrical & Security Installations
Bamco_Patterns, Nigeria
Jul 2021 – Present
- Coordinated technical operations for construction projects across departments.
- Collaborated with engineers and vendors to support integration of electrical and smart security systems.

- Managed inventory, tracked timelines, and supported compliance processes.
- Helped reduce downtime by 30% through effective scheduling.

Field Supervisor – Electrical Installations
Ositech Electrical, Nigeria
Feb 2015 – May 2021
- Supervised and led electrical teams on 50+ projects in residential and commercial sectors.
- Managed site logistics, interpreted technical drawings, and ensured safety compliance.
- Trained junior staff and implemented reporting systems that enhanced communication.

Additional Information

Software & Tools: Microsoft Office, Microsoft Teams
Programming Languages: HTML, CSS, JavaScript, SQL
Languages: English
Award: AltSchool Africa – Frontend Engineering Certificate (

AltSchool Africa

Upon the nomination of the School of Engineering
Has awarded

Osemeke Chukwuasia Victor
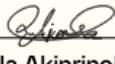

this diploma in

Frontend Engineering

Certificate ID REF-3PphtgFvbCkP31obU3

Having successfully satisfied all requirements of the aforementioned course of study.
This thirtieth day of August, two thousand and twenty-four.
